ESTABLISHED AS A WEEKLY: THE WHIG, 1840; THE REPUBLICAN, 1841; Indiana State Library & C. Traction Co., Inc. * Indiana, Friday Evening, September 3, 1920

CHANGED TO SEMI-WEEKLY MAY, 1902; DAILY MARCH, 1904.

Vol. 17. No. 147.

TEN PAGES TODAY

PEOPLES COMPANY GRANTED INCREASE

Allowed Rate of 60 Cents For Gas
With Net Charge of 50 Cents on
Bills Paid in 10 Days

NET MONTHLY MINIMUM OF \$1

Estimated Increase Will Add \$4,
241.94 Annually to Revenue—
Property Valued at \$58,206

The Peoples Natural Gas company of this city was granted an increase in rates from forty to sixty cents a thousand cubic feet, fifty cents net to be charged if bills are paid in ten days, in a ruling by the public service commission of Indiana made public today.

The company, in a petition filed June 2, asked for permission to charge seventy-five cents, but this was denied. The hearing on the petition was held here July 21.

The finding of the commission also established a monthly minimum charge of \$1.10 gross and \$1.00 net, with a provision that service may be discontinued if bills are not paid in twenty-five days, and a reconnection charge of \$1.00 made to re-establish the service.

"In fixing rates," the ruling says, "the commission will not give consideration to the comparative value of natural gas and other fuels but will adhere to a long established principle that rates should be authorized sufficient to pay reasonable operating expenses, depreciation and a fair return on the value of the property used and useful in serving the public."

A value of \$58,206 was placed on the property of the company by the commission.

"In view of the fact that the Peoples Natural Gas company," says the ruling, "had been able to accumulate the equivalent of practically 200 percent in stock dividends, had actually maintained no depreciation reserve, had paid cash dividends, and shows a surplus of \$46,109, the drilling of new wells to replace those exhausted was charged to operating expenses and the estimate for depreciation was reduced according-ly."

The company was ordered to set aside annually for depreciation and depletion one percent of the value of its depreciable property and rules were provided for the depreciation fund.

The commission estimates the petitioner's revenues and requirements as follows:

Estimated operating ex-

penses \$8,462.21

Estimated 5 new wells at \$1,700 each \$8,500.00

Depreciation—one percent on \$58,000 580.00

Return—seven percent on \$58,206 4,074.00

Total requirements \$21,616.21

Operating revenues \$16,967.76

Estimating increase under rate of 50 cents per thousand cubic feet 4,241.94

Total \$21,219.70

"The evidence shows," says the commission, "that five directors are receiving \$400.00 per year each, or a total of \$2,000.00 per annum. This seems to be an excessive amount for the service rendered, but as some of the directors are also officers of the company and receive no compensation as such, this amount will be allowed to stand as an operating expense as shown in the audit. In view of the fact that \$2,000 director's fees is included in the estimated operating expenses the difference of about \$400.00 in estimated revenues and requirements is immaterial. This will be partially reimbursed also by the penalties of the gross rate."

"The evidence shows that it will be necessary to secure at least three additional producing wells per year, and the cost of such additional wells should be added to the operating expenses as maintenance. Because of the rapid depletion of the supply of gas and the low pressure at least four or five new wells per year must be drilled in order to secure the three producing wells required. The

LABOR DAY TO BE OBSERVED

Plans to Suspend Business For County Base Ball Day.

On account of the county baseball day here Monday, as a celebration of Labor Day, arrangements are being made for a general suspension of business during the afternoon when the Tail Lights will play the Arlington Red Sox and the New Salem team.

Monday will be generally observed as a holiday as usual. The banks will be closed all day. The postoffice will close at ten o'clock and there will be only one city delivery. No delivery will be made on the rural routes. The Daily Republican will be issued at noon on that day. Advertisers are requested to have copy ready for Monday's ads tomorrow.

7,000 SMALL FISH PLACED IN FLATROCK

Flatrock Restocked Near Rushville Today by Deputy State Game Warden Amos

LOCAL ASSOCIATION HELPS

Five thousand small mouth bass and two thousand blue gills were placed in Flatrock this morning by Deputy Game Warden Amos and the state department of conservation, division of fish and game, and Charles H. Brown of the Rush County Fish and Game Protective association.

The fish were distributed along the river from East Hill cemetery to the dam and above the dam as far as White's bridge. It was through the efforts of the local association of sportsmen that the river is being stocked by the state department.

In the chorus were John Lewis, Halbert Brown, O. P. Wamsley, W. F. Easley, Bert Conde, Ernest Stada, Claude Bell, Frank Innis, Paul Spivey, John Norris, William Sparks, O. E. Trusler, George Coons, John Worthington, Frank Priest and Ollie Bown.

The entire company joined on the choruses and special features were introduced to break the sameness of each number, and dancing features by James Withers keep the audience busy applauding.

Late song hits were rendered by different members of the company, and between songs, the interlocutor and end men "pulled" some good jokes, mostly about local people.

The songs given were, "All the Quakers are Shoulder Shakers," by Frank Muir; "O, By Jingo," by Ivan Edlin; "Floating' down to Cotton Town," Horace Pearsey; "On the Shores of Tripoli," John Norris; "I'm a real live Mamma," Hale Pearsey and "At the Darktown Dancing School," by James Withers.

Miss Martha Winkenhofer, pianist at the Princess theater, accompanied all of the musical numbers.

The minstrel part of the program was followed by four short vaudeville acts, including solos by Miss Bernice Kelso, and a monologue by George Priest, which equalled anything that B. F. Keith ever put out.

Dr. Pearsey sang several character songs and he was compelled to respond to several encores, as was James Withers who at this time gave several numbers in singing and dancing.

The second part of the program was a farce comedy, "Down on the farm," which was a continuous combination of vaudeville stunts, in which eight young ladies had a part. The opening was an old fashioned barn dance and many comical situations were presented throughout.

Horace Pearsey and his bottle of "flumonia" were the cause of much merriment, and when he made love to a young woman, reading directions from a book, he created a great deal of fun.

The girls who had a part in the last half of the program were the Misses Joan Weakley, Brenda Kinsinger, Elizabeth Pierson, Helen Gray, Reba Beale, Lillian Priest and Louise Hogsett. The girls filled in on the choruses with dancing numbers.

The following boys were also in the last part of the program, assisting in different ways on the songs and numbers, William Pugh, Glenn Ruddell, Horace Pearsey, Frank Muir, John Flehart, John Lewis, Halbert Brown and Paul Spivey.

There will be another opportunity for registering October 4, but voters are advised to do it tomorrow and have it over with.

MINSTREL SHOW

BIG TIME STUFF

Knights of Pythias Home Talent Production Offers Good Comedy and Song Numbers

TO BE REPEATED TONIGHT

Reduction of Price to 50 and 75 Cents is Expected to Bring Out a Large Crowd

The Knights of Pythias Minstrel show went big last night at the Graham Annex auditorium, and will be repeated tonight when a capacity house is expected, as the crowd last night did not do the show justice in any respect.

The prices of admission have been reduced, for tonight, and all seats will sell for fifty and seventy-five cents.

The first thirty-five minutes is an old fashioned minstrel show, with eight black face comedians, and a dozen others who take part in encores and the choruses. The two black face end men were Dr. Hale Pearsey and James Withers. The latter directed the show, and is quite a favorite with Rushville people.

George Priest filled the part of interlocutor just as if he had been with Al G. Field's Minstrel show, and when it came to a specialty stunt between acts, he filled that bill like an old timer.

The six black face comedians, other than the two end men, were Frank Muir, Glenn Ruddell, Ivan Edlin, Horace Pearsey, John Flehart and William Pugh.

In the chorus were John Lewis, Halbert Brown, O. P. Wamsley, W. F. Easley, Bert Conde, Ernest Stada, Claude Bell, Frank Innis, Paul Spivey, John Norris, William Sparks, O. E. Trusler, George Coons, John Worthington, Frank Priest and Ollie Bown.

The entire company joined on the choruses and special features were introduced to break the sameness of each number, and dancing features by James Withers keep the audience busy applauding.

ANNOUNCES LIST

SCHOOL SUPPLIES

Supt. J. H. Scholl Urges Early Purchase Because Often Local Alotment is Exhausted

SCHOOLS WILL OPEN MONDAY

For Uniformity and Economy Some Supplies Are Provided Through The Public Schools

Superintendent J. H. Scholl of the Rushville public schools, which open Monday, today announced a list of books and supplies for each grade which he advised should be purchased before school opens. His reason for urging such a step is the fact that often patrons from surrounding counties send here for books, thus reducing the supply requisitioned for this city. The Ninety-Nine Cent store is the depository for Rushville.

Some supplies are provided through the schools, for uniformity and economy, and they are not included in the list made public below. Pupils who are sure of their standing, Supt. Scholl says, can buy books as listed for the grades.

There are a number of note books and tablets, which the pupils will buy from the stores, but these will be selected according to the needs of the several teachers, Supt. Scholl states. He advises high school students to provide themselves with such note books as Royal or Treasures for use in taking assignments.

"In the high school," Supt. Scholl states, "considerable election is allowed the pupil in the choice of subjects after the first and second years. These books will be ordered after the classes are organized.

"In as far as possible the students should bring their books to school on Monday morning. Check over your lists at home for many books are used for several years. It may be possible that books may be passed down to members of the same family or the same book used in a grade last year may be necessary this year."

A meeting of the teachers of the Rushville schools will be held Saturday afternoon at three o'clock in the Graham high school building to discuss the opening of school and plan the organization for the year.

The supplies listed by Supt. Scholl are as follows:

Grade Supplies

1B—Child Classics Primer; pencil, ruler, crayola, 1st Drawing Book.

1A—Child Classics First Reader; pencil, ruler, crayola, Copy Book No. 1; 1st Drawing Book.

2B—Child Classics Second Reader; Centennial Speller; 2nd Drawing Book; Copy Book No. 2; pencil, ruler, crayola, eraser.

2A—Same as 2B.

3B—Child Classics Third Reader; Centennial Speller; Lessons in English Book I; Wentworth-Smith Arithmetic Primary Book; Music Book One; 3rd Drawing Book; Copy Book No. 3; ruler, crayola, eraser, lead pencil.

3A—Same as 3B.

4B—Elson's Primary School Reader Book Four; Centennial Speller; Lessons in English Book One; Wentworth-Smith Arithmetic Primary Book; New Introductory Geography; Gordy's Stories of Early American History; Copy Book No. 4; Music Book Two; 4th Drawing Book; ruler, lead pencil, crayola, eraser.

4A—Same as 4B.

5B—Elson's Grammar School Reader Book One; Centennial Speller; Lessons in English Book I; Wentworth-Smith Arithmetic Advanced Book; New Introductory Geography; Stories of Later American History; Copy Book No. 5; Music Book Two; 5th Drawing Book; lead pencil, crayola, ruler, eraser.

5A—Same as 5B.

6B—Elson's Grammar School Reader Book Two; Centennial Speller; Lessons in English Book II; Wentworth-Smith Arithmetic Advanced Book; New Complete Geography; Gordy's American Beginnings in Europe; Music Book Three; 6th Drawing Book; pencil, crayons, ruler, eraser.

6A—Same as 6B.

7B—Everyday Classics Seventh Reader; Centennial Speller; Lessons in English Book One; 7th Drawing Book; pencil, crayons, ruler, eraser.

ATTRACTING LARGE CROWDS

Revival at Sexton Christian Church Continues Each Night.

The revival which opened at the Sexton Christian church last Tuesday evening, in charge of the Rev. G. H. Lawton, of Arlington, is attracting large crowds and great interest is being shown, it was reported today. Services will be held every night at 7:45 o'clock, including Saturday night. The sermon subject for tonight will be "Glorying in The Cross" and tomorrow night "The New Birth." Sunday morning the Rev. Mr. Lawton will preach at 11 o'clock from the topic, "The Imperial Christ," and at night his subject will be "What Must I Do To Be Saved?" There will be special solo numbers at each service. The Rev. Mr. Lawton is being assisted by the Rev. Lyman Hoover, the pastor.

90 PERCENT OF COUNTY WOOL CLIP IS SHIPPED

Two Cars Containing 26,630 Pounds of This Year's Crop Sent to Chicago For Storage

133 GROWERS POOL CLIP

What is estimated to be over 90 percent of the wool clip in Rush county, was sent out yesterday from the local yards to the warehouse in Chicago, where it will be held until the market becomes justifiable for a profitable sale. The shipment required two cars, and contained 26,630 pounds of this year's clip.

The shipment was sent by the farmers' organization of this county, under the supervision of B. B. Werner, chairman of the county wool committee. The same plan is being followed in many counties in the state, as the plan was suggested and agreed upon by the state wool committee at a recent meeting held in Indianapolis.

The shipment from this county represented 133 shippers or wool growers, but it was pointed out that there were more growers represented than the 133. In several townships, some of the smaller growers combined their wool with their neighbors and listed it under one name.

School Children Wear Out Shoes

pretty rapidly. To their parents it seems that a new pair of shoes was needed about as often as pay day comes around.

WE MAKE A SPECIALTY OF REPAIRING SCHOOL SHOES so their life will be doubled. Put strong, sturdy soles on them. Send your youngsters here with their damaged or worn shoes. We can re-make them, fit for long service again. We close at 6:00 p.m. Wednesday evenings.

First Year: D'Ooge's First Year Latin; Wells and Hart's New High School Algebra; Lewis and Hosie's Practical English.

Second Year: Walker's Caesar; Newell and Harper's Plane and Solid Geometry; Webster's Early European History; Lewis and Hosie's Practical English; Bennett's Latin Grammar.

Third Year: Johnson and Kingery's Cicero; Robinson and Beard's Outlines of European History, Part II.; McPherson and Henderson's First Course in Chemistry; Long's American Literature.

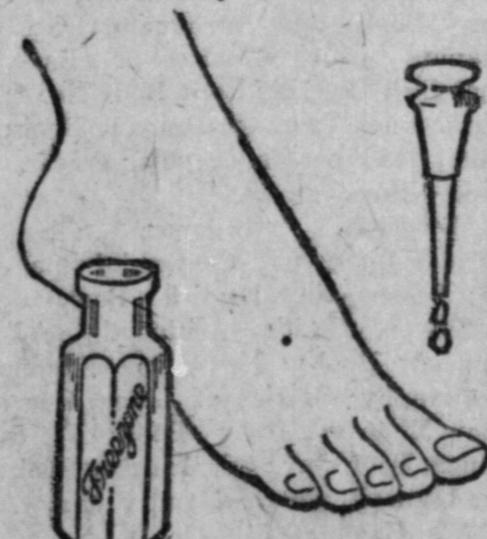

Fourth Year: Metcalfe's History of English Literature; Elte's History of the United States; Reed's Forms and Functions of the American Government; Smith's Arithmetic of Business; Millikan and Gale's A First Course in Physics (revised).

AGE LIMIT IS LOWERED.

The local lodge of Knights of Pythias has received notice of the passage of an amendment to the constitution of the order, lowering the age limit from twenty-one to eighteen years. The local lodge, however, will probably not engage in an active campaign for members under twenty-one years, but will consider applicants who make the proper application.

Lift off Corns!

Doesn't hurt a bit and Freezone costs only a few cents.

With your fingers! You can lift off any hard corn, soft corn, or corn between the toes, and the hard skin calluses from bottom of feet.

A tiny bottle of "Freezone" costs little at any drug store; apply a few drops upon the corn or callus. Instantly it stops hurting, then shortly you lift that bothersome corn or callus right off, root and all, without one bit of pain or soreness. Truly! No humbug!

Prices for the K. of P. Minstrel have been reduced to 50c and 75c. Everybody come tonight.

With The Churches

Glenwood United Presbyterian church—Bible school at 1:30 p.m. and preaching services at 2:15 p.m.

+Services at St. Mary's Catholic church Sunday will be as follows: Communion at six o'clock; Low Mass at 7:30 and High Mass at 9:30.

+The Rev. William H. Lamasters will preach Sunday at the Homer Baptist church, at both the morning and evening services.

+Hannegan Christian church—Bible school at 10 a.m. The Hannegan school will be entertained at an all day meeting Sunday, September 19, at Clarksburg. George P. Rutledge, editor of the Christian Standard at Cincinnati, Ohio, will be the speaker.

+First United Presbyterian church—Bible school at 9:30 a.m. Public worship at 10:45 a.m., sermon text, "Now Are We The Sons of God". Young People will meet at 6:30 p.m. Preaching at 7:30 p.m., subject, "A Man Sent of God". All members and friends of the church are invited to attend these services.

+St. Paul's M. E. Church—Sunday school at 9:30 a.m. A large attendance is requested. Morning worship will be held at 10:30 with a sermon by the pastor which will be appropriate to Labor Day on the subject, "Riots and Religion." The pastor will also preach in the evening at 7:30. The prayer meeting at 7:30 Thursday evening will also be in charge of the pastor. All are cordially invited to attend these services.

+Pleasant Ridge Methodist—Bible school at 9:30 a.m.; preaching by the pastor at 10:30 a.m. and 7:30 p.m. These services will close the Sunday meetings for this conference year. Adjourned quarterly conference Monday at 9:30 a.m. at Arlington. The pastor will assist the Epworth league Tuesday evening, giving a stereoptican lecture. At the annual conference at Vincennes September 15 to 20, S. S. Offutt, will be lay delegate and Harry A. Mull alternate.

+Sunday will be observed at the Main Street Christian church as "Go to College Sunday." All the young people of the church and community who are expecting to go to college are invited to attend the morning church service and occupy front seats together. After the Bible school period the pastor will speak on "The Field and the Forces" and at the evening hour on "Wingless Wealth." Thursday evening prayer and praise service at 7:30. Orchestra and chorus choir at the Sunday evening service.

CARPENTERS MEET

Terre Haute, Ind. Sept. 3—The annual convention of the state council of carpenters entered its thirty day of its strictly business session here today. The convention plans to adjourn late today. The next convention will be held in Indianapolis.

Prices for the K. of P. Minstrel have been reduced to 50c and 75c. Everybody come tonight.

Grove's Iron Tonic Syrup

Pale Children Need Iron

Iron in Syrup form is more readily digested and assimilated than Iron Pills or Iron Tablets, and naturally you get quicker results. The Iron in GROVE'S IRON TONIC SYRUP is digested as soon as it is swallowed and, therefore, is promptly assimilated. You can soon feel its Strengthening, Invigorating Effect.

The Syrup is flavored and children love to take it. Contains no Nux-Vomica or other poisonous drugs, therefore, it can be given to The Babe, The Child, The Mother and The Grandmother with perfect safety.

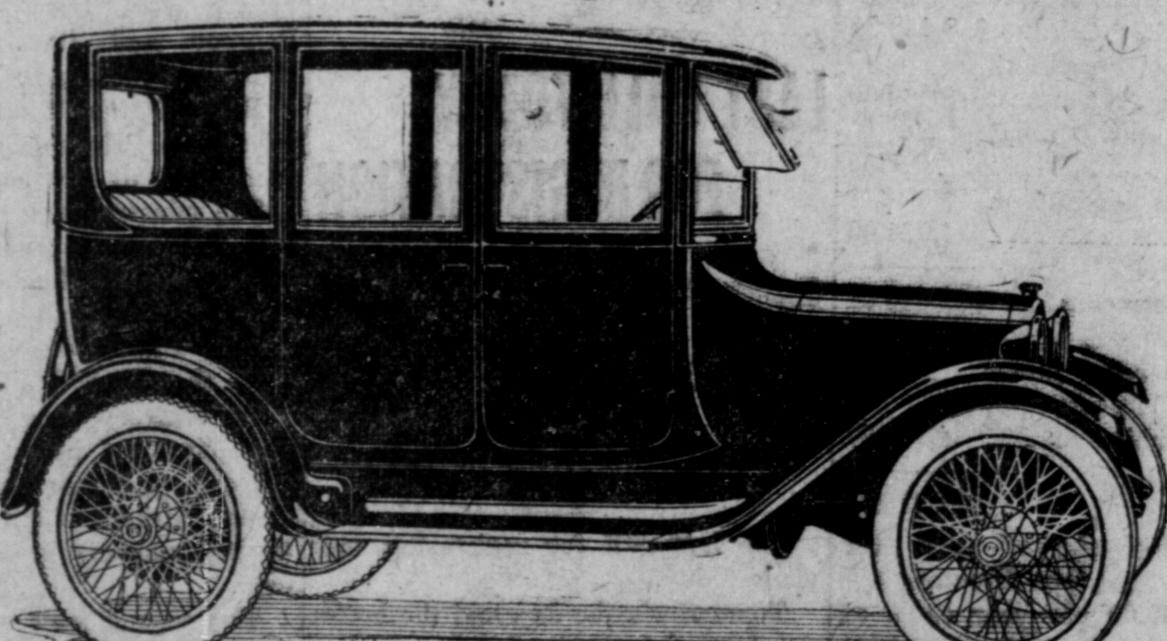

Grove's Iron Tonic Syrup

Price 60 Cents.

—Mr. and Mrs. Guy Gordon, Mr. and Mrs. Aaron Wellman, Miss Libby Hackleman, Miss Bertha Helm and Mr. and Mrs. John Stiers motored to Shelbyville yesterday and attended the fair.

—Mr. and Mrs. George Thomas of this city and their niece and husband, Mr. and Mrs. John Downen of Lewistown, Ill., who are visiting here all motored to Madison yesterday where they spent the day.

—Alfred Swain, Jr., formerly a prominent school teacher of this county, who now lives at Seattle, Washington, is visiting his sister, Mrs. Will Barton of Milroy. It is Mr. Swain's first visit here in thirty-six years.

—The Rev. and Mrs. Clyde S. Black and family arrived this afternoon from a month's vacation spent with relatives at Myerstown, Pennsylvania. They were accompanied home by H. G. Moyer, Mrs. Black's father, who will make his home here during the winter.

Domestics of Brazil.
In Brazil not 1 per cent of the male and female servants will, it is said, sleep in their master's house. They insist on leaving at the latest by seven o'clock in the evening and will not return before seven or eight o'clock in the morning.

Widow Preferred To Meet Death at Home

"For many years I suffered from stomach trouble. All the doctors I tried helped me but little. All said I would have to go to hospital and be operated on for gall stones or I would not live much longer. I told them I preferred to meet death at home. One day I picked up an advertisement of Mayr's Wonderful Remedy and since taking a course of it more than a year ago have not had a single pain in my stomach, have good appetite and can eat anything." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. All drugs—Adv.

Prices for the K. of P. Minstrel have been reduced to 50c and 75c. Everybody come tonight. 147t1

MINSTREL BIG**TIME STUFF**

Continued from Page One

Just before the curtain dropped, Paul Spivey introduced each member of the company as they stepped out on the stage when he called their names, and the entire company sang the closing number.

The entire show was given without a hitch, and was pronounced by all as being worth ones time to attend, and people who failed to go last night, should take advantage of the reduction in price and attend tonight, which will be the final performance.

The K. of P. Minstrel marked the third important home talent show to be given here this summer.

Giving Him His Due.

"Oratory is a gift, not an acquirement," said the proud politician as he sat down after an hour's harangue. "I understand," said the matter of fact chairman, "We're not blamin' you. You did the best you could."

Easy Way To Ward Off Cold

It's better to take a few pleasant little tablets and ward off a cold than to pay big doctor bills and lie in bed for days or weeks with pneumonia.

During the fall and winter months when grippe and pneumonia keep the doctors busy, health authorities urge everyone to "Watch out for symptoms of colds and get after them right off."

Take no chances. At the first sign of sniffing and sneezing get a box of Lightning Laxative Quinine Tablets and stop the cold within 24 hours. Lightning Laxative Quinine Tablets are safe, pleasant; never gripe or sicken. Drugists guarantee them. Only 25c per box.

**Frames Should Fit The Face**

Correctly fitting frames are almost as important as correctly ground lenses. Therefore we take particular pains to make sure that the frames fit the face perfectly.

The center of the glasses should come exactly opposite the pupils of the eyes. The glasses should not be too wide or too narrow. The bridge should fit the nose so well that wobbling will be impossible.

We are experts in the proper fitting of glasses and our skill is at your service. If the glasses you now wear do not fit perfectly bring them to us for adjustment.

Why Not?

It would be difficult to find a community where there is no fault finding, or back biting, or criticism, or covert sneers, for human nature is peculiar, and indulging in such questionable pastimes is one of its peculiarities.

But suppose human nature in this town should reverse itself for once—for an entire month.

Instead of saying or thinking unkind things of others, suppose each of us considered only the good in our friends and acquaintances and neighbors.

Suppose we were generous in our praises and lavish in our commendations, and each had something good to say about each other person.

What a revolution we would see!

We would behold the unheard-of spectacle of every man and woman gradually outliving and forgetting

CHARLES SCHAFFER

HOOSIER WOMEN WILL GO TO POLLS SATURDAY

First Time in History of The State Women Will be Permitted to Put Name on Poll Books

ANOTHER CHANCE OCTOBER 4

Indianapolis, Ind., Sept. 3—Hoosier women will go to the polls tomorrow to register along with the men, so that they will have equal suffrage at the general election in November.

Those who do not register tomorrow may do so October 4, under the Indiana election law, which provides that registration of voters shall take place on two separate occasions, one thirty days and the other sixty days before the general elections.

In many localities special plans will be put into effect to introduce the women to their newly won privileges. In Indianapolis, the League of Women Voters will have a "hostess" at each of several polling places to show the women how to register.

Politicians were out trying to obtain record registration with a view to a heavy vote November 2.

Leaders of all parties were trying to swing the woman vote into their folds. Where the new vote will fall was the subject of much speculation.

The women of Indiana, the same as in other states, will have the opportunity this year for the first time in the country's history by virtue of the action of the Tennessee legislature in ratifying the suffrage amendment to the constitution of the U.S. This ratification was proclaimed by Secretary of State Colby August 26.

G.O.P. TO OBSERVE CONSTITUTION DAY

Speakers Are Being Assigned For State Meetings Which Will be Held on September 17

ANNIVERSARY OF SIGNING

Indianapolis, Ind., Sept. 3.—Speakers for the observance of Constitution Day, September 17th, the anniversary of the signing of the constitution, which will be celebrated in every county of the state under the auspices of the local Republican organizations, are being booked by Fred B. Robinson, chairman of the Republican state speakers' bureau. Mr. Robinson declared today that enthusiastic meetings are assured in every county.

Senator Harry S. New, chairman of the national Republican speakers' bureau, originated the idea of observing Constitution Day throughout the nation.

Republican leaders point to the strong demand over the entire country for a return of government under the constitution, as sponsored by Senator Harding and the Republican national platform, and arranged for a meeting in response to the popular wish of the voters who desire to see the national affairs again managed on the safe and sane administrative principles established in the basic American law.

"Unfortunately there has been too much neglect of the teachings of the American constitution in the last seven years of Democratic administration," Mr. Robinson said. "Republicans revere the constitution as the sacred document which guarantees American liberty and independence, and they are eager to take this opportunity to further proclaim it as the greatest guide to government."

Just Folks

By EDGAR A. GUEST

DADDIES.

I would rather be the daddy
Of a romping, roughish crew,
Of a bright-eyed chubby laddie
And a little girl or two
Than the monarch of a nation
In his high and lofty seat
Taking empty adoration
From the subjects at his feet.

I would rather own their kisses
As at night to me they run
Than to be the king who misses
All the simpler forms of fun.
When the dreary day is ending
He is dismal alone.
But when my sun is descending
There are joys for me to own.

He may ride to horns and drumming
I must walk a quiet street,
But when once they see me coming
Then on joyous flying feet
They come racing to me madly
And I catch them with a swing
And I say it proudly, gladly,
That I'm happier than a king.

You may talk of lofty places,
You may boast of pomp and power,
Men may turn their eager faces
To the glory of an hour,
But give me the humble station
With its joys that long survive
For the daddies of the nation
Are the happiest men alive.

OFFICE SEEKS MAN IN REPUBLIC OF GERMANY

Frederich Ebert May After All be Candidate For Re-election to the Presidency

WANT HIM TO CHANGE MIND

Berlin, (By Mail)—Frederich Ebert may after all be a candidate for re-election to the presidency, according to reichstag leaders in touch with the situation.

The strongest pressure is being

brought to bear on him to get him to change his mind, and it is reported that the pressure is so great he may finally agree, especially since his candidacy is believed to assure his election, in view of the fact that the right and left parties so far have been unable to find a candidate.

Moreover, the centre party, the majority socialists and the democrats are now inclined to support him to the limit.

Frau Ebert's plaintive appeal to "her man" not to continue in political life, since "it is such a strain of Fritzie" and spoils the "domesticity", they both love, evidently is going to be submerged.

It now appears to be a real case of the office seeking the man.

HAVENS

"Some Shoes"

Folks, school time is here and you, of course, will be in the market for shoes. I am nicely fixed to give you good shoes at good prices.

You have seen in the papers that shoes will be cheaper for Fall—such is the case, but with this explanation due the trade: When shoe merchants contracted for Fall shoes last February, prices had advanced at least 20 per cent over one year ago. However, in the meantime, the leather prices broke, and shoe manufacturers of repute changed prices on orders equal to the amount of the break in the leather market, which gives you the same merchandise as last year at practically last year's prices.

ROWING GREATEST SPORT, SAYS KING

Navy Star Hoped and Aspired to be a Great Athlete When he Was in Short Trousers

WON "N" TWICE FOR FOOTBALL

Plowing Through Mud Ankle Deep He Bought Victory to Navy Over Army on Gridiron

By HENRY L. FARRELL

(U. P. Staff Correspondent)
Antwerp, Aug. 19 (By Mail)—In a haze that hung over the Polo grounds like a great gray blanket late last November, a big straight, broad-shouldered boy, hardly discernable in the fog, plowed through mud ankle deep and booted two field goal that gave the Navy a 6 to 0 victory over the Army.

Braced against the footboard in the Navy shell, the same right foot shod 180-lbs., of Iowa braved the ear that stroked the Navy crew through victorious sweep of American water that has brought the eight here to contest for the world's championship.

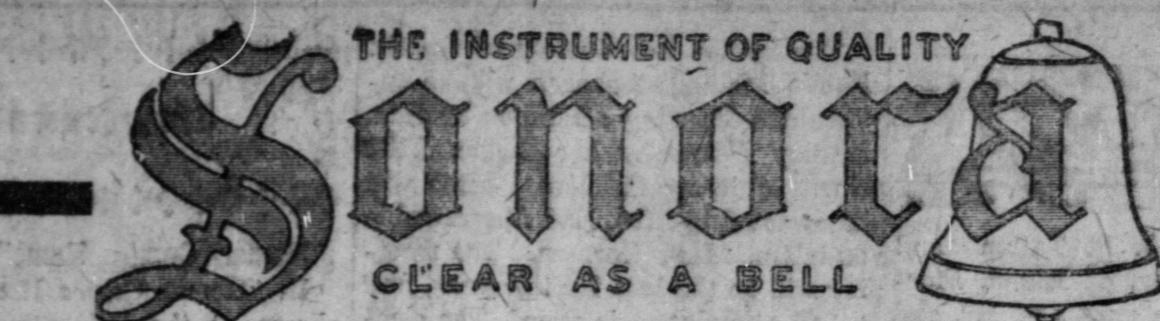

That right foot belongs to Clyde W. King, the 22-year old son of a wealthy Grinnell, Iowa, rancher, who preferred to work his way through college rather than accept the easier route via a proud parent's check.

King, whose name is in keeping with his rank among the midshipmen, dreamt, hoped and aspired to be a great athlete when he was running around Lodora, Iowa, in short trousers. But he was a puny little lad and couldn't stand the gaff of even the kid games in the neighborhood.

When he was eight years old his father sent him to his ranch in Saskatchewan and he roughed it there for three years returning home a youngster with a man's physique.

He played football and basketball in high school and then entered Grinnell College.

In keeping with a resolve to work his way through school, he bought a shoe shining parlor in the little

STERIZOL AT ALL DRUG STORES

Mr. and Mrs. J. R. Tatum and daughter Ada May, of Miami, Florida, are the house guests of Mr. and Mrs. Robert Innis. From here they will take their daughter to Penn Hall College, near Philadelphia, before returning to their home.

* * *

The C. W. B. M. society of the Arlington Christian church was delightfully entertained yesterday afternoon at the home of Mrs. G. H. Lawton in Arlington. The program was led by Mrs. Susie Woods and proved to be very entertaining. Following the business session the hostess served light refreshments.

* * *

Miss Margaret Dixon, daughter of Mr. and Mrs. James Dixon and Lloyd Kinder, both living near Falmouth, were quietly married last evening at eight o'clock at the home of the bride east of Falmouth. The ring wedding ceremony was performed by the Rev. G. F. Powers. Only members of the immediate family were present to witness the wedding. Mr. and Mrs. Kinder will reside on a farm near Falmouth.

* * *

A dance was given at the Social club last night for a number of young people who are guests in Rushville this week. About forty couples enjoyed the dancing until after midnight and the music was provided by an Indianapolis orchestra. Light refreshments were served during the evening.

Among the guests from out of the city were Miss Anna Marie McDermont of Attica, Miss Vera Bates of Terre Haute, Miss Robbins of Greenburg, Miss Montgomery of New Jersey, Miss Bollinger of Seymour, Mr. and Mrs. Elliot Gorgas and Mr. and Mrs. Tappan of Shelbyville.

* * *

Miss Lois Reeves was hostess for a prettily appointed luncheon yesterday afternoon at one o'clock at her home in North Main street. The informal affair was given in honor of her house guests, the Misses Anna Marie McDermont of Attica, Ind., and Vera Bates of Terre Haute, Ind. Covers were laid for sixteen guests. Besides the honored guests those from out-of-town were the house guests of Miss Mary Louise Bliss, the Misses Bollinger of Seymour and Robbins of Greensburg and Miss Montgomery of New Jersey. Miss Bliss entertained with a one o'clock luncheon in honor of her guests and Miss Reeves' guests this afternoon at her home in North Perkins street.

* * *

The annual reunion of the Lower family was held Sunday at the home of Thomas Lower, southwest of the city. At noon a fried chicken dinner was served to the sixty members present. In the afternoon the regular business session was held, during which the following officers were elected: President, Thomas Lower; vice-president, Elmer Alexander; secretary and treasurer, Mrs. Mary Poston; statisticians, Mrs. Ruby Petry, Mrs. Sarah Guffin and Mrs. Florence Mull. Following the business hour a short program was given, which included a short history of the family given by Mrs. Sarah Guffin. Relatives from a distance were Mrs. Rachel Jones and grandson, Robert Shannon of Chicago. Following the program watermelons were served. The reunion will be held the same place next year.

MOTHER!

"California Syrup of Figs" Child's Best Laxative

Accept "California" Syrup of Figs only—look for the name California on the package, then you are sure your child is having the best and most harmless physic for the little stomach, liver and bowels. Children love its fruity taste. Full directions on each bottle. You must say "California."

The Ladies Aid Society of the St. Paul's Methodist church will be entertained Tuesday afternoon by Mrs. Manley Pearce at her home, 1102 North Main street. Mrs. Pearce will be assisted by Mrs. Ned Abercrombie and Mrs. Mary Gorman. The meeting will be the last for this year, and a full attendance is urged. The election of officers will also be held at this meeting.

Amusements

"Homer Comes Home"—Princess

In "Homer Comes Home" to be shown at the Princess Theatre today Charles Ray has another of those country boy roles for which he is famous on the screen. Thomas H. Ince produced the picture.

The story centers around Homer Cavender, who, having exhausted all the jobs of Mainesville, goes to the city and becomes a clerk. Having accumulated a few hundred dollars, he returns home on his vacation and creates a big impression with the townsfolk as a man of wealth and affairs. He renews his acquaintance with pretty Rachael Prouty, completely outshining his rival Arthur Machim, son of the local hotel proprietor. On the last day of his visit Homer, remembering a chance remark of his boss's, starts selling stock to build in Mainesville a branch factory of the concern for which he works as clerk.

Thinking Homer must be at least a partner in the firm, the villagers fall. But young Machim learns the truth and proceeds to ruin Homer's little scheme. However, things turn out happily, and Homer wins not only the girl, but the management of the Mainesville factory. Priscilla Bonner is the leading woman in "Homer Comes Home."

"12-10" Mystic Attraction.

Never was there a mystery more baffling than that which you will see in "12-10," the attraction at the Mystic theater today. The star of this super feature is Marie Doro, one of the most illustrious stars that ever left the spoken drama to take up screen work. Such famous men of the theater as David Belasco, Charles Frohman, William Gillette and Arthur Hopkins recognize her ability and backed their judgment by investing her with plays to exploit her genius.

The director was Herbert Brenon, one of the few great men who have given us pictures as will be part of the history of photoplays.

No intimation of the baffling problem that is the very backbone of this feature is shown at the beginning of this strange tale made use of in creating a picture that will grip you as you have seldom experienced. The nerve-wracking experience of a young and sensitive girl at the hour of midnight in a lonely house far in a sparsely-settled neighborhood, with strange noises, slowly moving doors, praying beside the body of her adopted father who has passed away and as the clock strikes the covers on the bed moves. This is a sufficient indication of the suspense which this picture holds.

LORD MAYOR OF CORK VIRTUALLY LIFELESS

(By United Press)

London, Sept. 3.—Terence MacSwiney, lord mayor of Cork, was virtually lifeless save an occasional quiver of an eyelid, today.

Relatives who were at his bedside declared that to all intents his body was dead but that "his spirit still lingered."

A serious divergence between King George and his minister has arisen over the question of releasing MacSwiney, according to a rumour circulated here.

ASKS A SQUARE DEAL FOR AMERICAN FARMER

Senator Harding Says it Will be Practical Step Against High Cost of Living

TO EXTEND FARM LOAN IDEA

(By United Press)

Marion, O., Sept. 3.—A square deal for the American farmer will be "one big practical step against the high cost of living," Senator Warren G. Harding declared in speaking to representatives of the national farm organizations here today.

The republican candidate laid down his broad program for agriculture which he will expand in his Minnesota state fair speech next week.

Harding favors:

Presence of the farmer in both administrative and representative government offices.

Extension of the farm loan principle not only to those who own farms but to those who wish to buy land.

Restoration of a more normal supply of farm labor.

Co-operative buying, selling and

Then the curtains of the back-drop part. The New Edison is revealed. It has taken up Signor Friscoe's performance and is RE-CREATING it alone.

You can hear it in our store

—the phonograph that is featured in Vaudeville's strangest act

Perhaps you've seen it—Signor Friscoe's "Magic" Xylophone Act.

It's the hit of vaudeville's "Big-Time."

Signor Friscoe's "magic" is an Official Laboratory Model of the New Edison. We have one exactly like it.

Signor Friscoe's instrument is an exact duplicate of the original Official Laboratory Model, which cost Mr. Edison three

million dollars to perfect. Our instrument is also an exact duplicate of this famous three million dollar original. We guarantee it to be able to give the same marvelous RE-CREATIONS of music, which Signor Friscoe's Official Laboratory Model gives in vaudeville.

Come in and test the astonishing realism of this instrument for yourself—in Mr. Edison's Realism Test,

The NEW EDISON

"The Phonograph with a Soul"

You've read how the New Edison has proved its perfect realism. Four thousand tests have been given, in which more than 50 different artists compared their art with its RE-CREATION by the New Edison. Leading newspapers conceded that there was no difference between the two.

Has any one suggested to you that these comparison tests are "faked"—that the artist imitates the New Edison?

Signor Friscoe's performance makes such an assertion positively ridiculous. Every week, 20,000 people see his hammers ripple over the xylophone keys. Suddenly he holds them aloft—still.

The rippling music continues.

Slowly, the gorgeous curtains of the backdrop part. The audience gasps. The New Edison stands revealed. It has taken up Signor Friscoe's performance, and is now RE-CREATING it alone. The effect of this extraordinary magic can rest upon only one fact: No one can distinguish any difference between Signor Friscoe's performance and its RE-CREATION by the New Edison. Signor Friscoe could not possibly imitate the New

Edison, because the xylophone can not be made to imitate any other instrument, so as to deceive its hearers.

Signor Friscoe's act is not an Edison enterprise. He has simply been clever enough to use the New Edison for what it is worth. Why don't you?

PRICES

The price of the New Edison has increased less than 15% since 1914. This includes the War Tax.

Mr. Edison has staved off price advances by personally absorbing more than half of the increased cost of manufacture.

Because of the exceptionally high quality of materials and workmanship demanded by the Edison Laboratories, and the continued scarcity of both, it may be necessary to advance prices. But rest assured that this will not occur, unless Mr. Edison is forced to it.

Our Budget Plan—the thrifty way of spending—will help you buy now. Let us tell you about it.

Hargrove & Mullin Druggist

distribution of farm products.

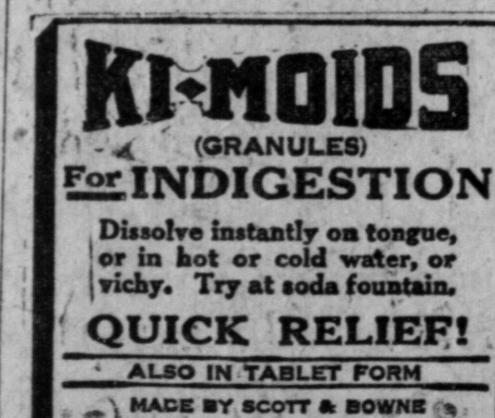

Products of American farms to be protected against those from countries with lower standards of living.

Harding said he deplored political appeals to special or class interests and put forward this program only with the firm belief that it is for the benefit of every consumer and the nation as a whole.

I. B. MORGAN & SONS,

SELL AT AUCTION

60 Big Type Poland Chinas

That Are Sure Big

Tuesday, Sept. 14th, 1920

at the farm, 2½ miles northwest of Greensburg, Indiana

Included in this offering will be the get of the great boar Giant Senator that Harry Wittenbogaard said was "the largest boar for his age he ever saw," and we have never seen one of his age that was larger, more rugged or masculine. His get are outstanding and just the kind you need to add size and prolificness to your herd.

We will sell six massive fall boars, three of them grandsons of the Yankee, also grandson of the Missouri Champion, The Giant II, by the great Iowa boar G's Big Chief dam (an 800-pound sire) by The Baron. Other spring and fall boars of John Miller and Jones and like breeding, also two spring boars by The Conqueror.

Come, you will have a great number to look over and will be able to settle the herd-boar question right here.

WE ASSURE YOU A WARM WELCOME, BOTH FELLOW BREEDER AND GOOD FARMER.

Come and see this great offering including a great young sow by the \$40,000 boar The Yankee, and this sow has five fall gilts of right type and breeding.

A wonderful yearling daughter of Wonder Buster Again.

Two daughters of King Giants.

Several litters by the massive Senator Giant from such sows as Model Giantess Fourth, full sister to the 11300 Model Giantess Third, also from dams by Denny's Giant, Herring's Big Smooth Price, Mabel's Jumbo and other great boars.

Five of the best granddaughters of Flora Price you ever saw.

COME TO THE HERD WHERE YOU CAN ALWAYS GET BARGAINS.

Morgan has more real herd material for a conservative price than any breeder in the state. His kind of Polands have made plenty of money for others and will for you.

This is one of the best and most practical offerings we have ever placed before the buying public.

"THE BEST BY TIME'S GREAT TEST"

I. B. MORGAN AND SONS
GREENSBURG, INDIANA

FIRST HOG SALE
HELD HERE IN '89

John H. Bebout Conducted Exclusive Poland China Auction, First on Record, 31 Years Ago

"IT BEATS THE WORLD"

Ninety Rush County Hogs Averaged \$64.36 With Total Sales of Nearly \$6,000

The first exclusively Poland China hog sale, of which there is any record occurred in this city and is reported in the Rushville Republican, under the date of Oct. 3, 1889.

John H. Bebout, living near town, sold 20 Poland China pigs at a sale, in which horses, Jersey cattle, etc., went under the hammer, in Oct. 1886. At that sale his spring pigs averaged about \$22.50 each, a remarkable price at a time when small feeders sold for \$2 to \$4 each. Mr. Bebout's son Silverton, still remembers that mixed sale and the cause by the high prices paid for the pigs.

In the summer of 1889, Mr. Bebout decided to have a straight Poland China hog sale and advertised it widely that fall. He sold 90 of his own pigs and neighbors added 17 to the collection.

The Republican of Oct. 3, 1889, heads the sale article as follows: "It Beats the World! Ninety Rush county hogs sold for \$5,792.40—average of \$64.36." Following this the editor discourses on the wonderful prices realized as quoted:

"A beautiful day greeted the gentlemen from a half dozen states and all parts of the country, who gathered at the fair grounds to attend J. H. Bebout's annual Poland China swine sale Tuesday."

"Business opened promptly and the bidding was spirited, no trouble being had in finding buyers for the splendid pigs offered for sale."

"Mr. Bebout sold 90 head of his own hogs for \$5,792.40—an average of \$64.36. This more than doubles last year's sale which exceeded anything on record up to that time. The success attending the sale reflects the greatest credit upon Mr. Bebout's enterprise and judgment and puts Rush county far ahead of the world in this branch of live stock breeding."

"Seventeen other pigs belonging to other owners were also sold, dwelling the aggregate of this sale for 107 pigs to \$6,212.50, or an average of \$56.00 on the entire lot."

"The highest price realized for a single animal was \$625 (for a boar one year old) and the lowest was \$16. Only three brought less than \$20. Six sold for more than \$200 each; and 29 others brought upwards of \$50—several of the number two or three times that amount."

After giving the names of the buyers of all animals bringing from \$20 up the editor continues:

"The board Adam was put at the head of the Bebout herd about that time. The next herd was George Wilkes, bought at a price of \$125. In 1893 this boar was sold from the Bebout herd for the phenomenal price of \$750. The buyers were so unfortunate as to kill him and at once came back to the same herd to replace him. They selected Mr. Bebout's boar Guy Wilkes, at the then record price of \$900. This board had sold for \$381 in Bebout's 1890 sale, and a record price then, and was later repurchased for use in the herd."

SIGNS POINT TO LATE FROST SAYS FARMER

Cockle Burr is Not Far Enough Advanced he Declares to Point to an Early Killing Frost

LATE CORN WILL MATURE

The first killing frost will not come soon enough to damage the late planted corn, according to farmers who profess, the knowledge to read signs in the appearance of certain trees and vegetation. One farmer said that the alarm about an early frost is needless for he has examined the cockle burr and learns from them that the first killing frost will be late. He said that if the cockle burr is far advanced at this time of the year there is a likelihood of an early killing frost, but he did not find them in an advanced condition. An early frost would damage the cockle burr, he said, and this has never been known. He declared he had watched the sign for many years and had found it almost unfailing in its accuracy.

Many farmers have large fields of late corn which would be destroyed by an early frost. The usual frost period for this section of the state is from October 15 to 17. Last year the first killing frost did not come before the last week in October.

No Hesitation
By Well Known
Indiana Lady

Comes right out and says that the new medicine Dreco has done her a lot of good. Says the gas does not press against her heart; nerves are quiet and she sleeps sound every night.

"I don't mind telling anybody that the new medicine Dreco has done me a lot of good and I'm glad that I heard about it and bought a bottle," said Mrs. Maggie Rosey of 709 South LaFontaine St., Kokomo, Ind.

"I've suffered an awful lot from constipation, nervousness, poor sleep, no appetite and gas in my stomach. This gas often got so bad that it pressed against my heart, causing shortness of breath and hard breathing. My kidneys often annoyed me and I'd have terrible backache so that I could hardly sweep up the house.

"I read what Dreco did for a lady here in town and got a bottle. It certainly was money well spent for my constipation is entirely relieved, no more gas forms in my stomach, nor presses against my heart. I have a good appetite, my nerves are quieted so that I sleep well, and the little catarrh that has bothered me is gone. Dreco has built me up and I'm feeling better than in years."

All druggists now sell Dreco and it is being especially introduced in Rushville by F. B. Johnson & Co.—Adv.

HOOSIER CORN TURNER

THOUSANDS IN USE — 1,000 IN RUSH COUNTY

Fits Any Drill
Can Be Attached To Any Drill
In a Few Minutes

Patented June 18, 1918

What a Hoosier Corn Turner Will Do For You

Saves its cost in two days.
Saves corn, time and labor.
Makes the drill run smoothly.
Makes the drill do better work.
Places every ear of corn and stalk back in the corn row where it belongs.
Makes the gathering of corn easier.
Keeps the outside disc from riding the corn row.
Rolls the pumpkins out of the way without injury.
Makes it possible for one man to sow his entire crop of wheat.
It is strictly a one-man outfit.

Don't wait until you are ready to sow wheat to order your corn turner. On account of the scarcity of material we will not be able to fill orders at the last minute. It would be well for you to place your order at once.

Hoosier Corn Turner Company

Rushville, Indiana. Any Date.

MR. BUYER OR SELLER,

Rush County, Indiana.

Dear Sir:—When you buy or sell real estate now, you will need an abstract of title. Especially if you sell.

I have been in the abstract of title business in Rush County for 20 years. During this time I have made abstracts of title for many of your acquaintances. Talk to any of them and when you need an abstract of title I will be glad to have your order.

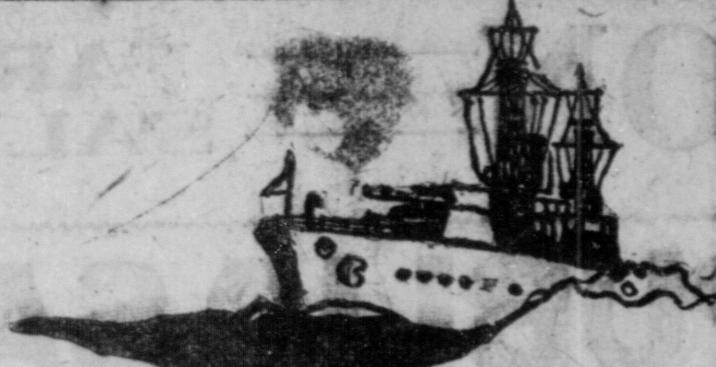

My office is No. 111 N. Main Street, Rushville.

Yours truly,

LOUIS C. LAMBERT.

TUES. SET ASIDE FOR FARMER'S DAY AT FAIR

Indiana Farmers' Federation Will Have Tent on Grounds and Have Arranged Program

GOOD SPEAKERS ARE SECURED

Indianapolis, Ind., Sept. 3.—Officers of the Indiana Federation of Farmers' Associations have just completed their program for State Fair week, arrangements having been completed for having headquarters in a large tent on the grounds this year in the same location as that occupied last year. This is east of the Fine Arts building and near the north entrance of the Women's new building.

Farmers' Federation Day at the State Fair has been designated as Tuesday, September 7, and on that date two speakers are to address the farmers. John N. Dyer, of Vincennes, will speak in the morning at 10 a. m. and L. J. Beckett, of Indianapolis, will make the afternoon address at 2 p. m.

The program for Wednesday, September 8, calls for an address by O. E. Bradfute, president of the Ohio Farm Bureau Federation, who was one of the national leaders who assisted in the formation of the American Farm Bureau Federation. On Thursday, September 9, J. S. Crenshaw, of Cadiz, Ky., national treasurer, will be the headliner. Both Mr. Bradfute and Mr. Crenshaw will speak at 10 a. m.

Officers of the Federation cordially invite all farmers of the state to visit their headquarters on the grounds. Lewis Taylor, general secretary, and E. A. Reynolds, state treasurer, will be in charge of the tent headquarters at the Fair Grounds.

ESTABLISHED AS A WEEKLY: THE WHIG, 1840; THE REPUBLICAN, 1845. Indiana State Library Indiana, Friday Evening, September 3, 1920 CHANGED TO SEMI-WEEKLY MAY, 1868; DAILY MARCH, 1904.

Vol. 17. No. 147.

TEN PAGES TODAY

PEOPLES COMPANY GRANTED INCREASE

Allowed Rate of 60 Cents For Gas
With Net Charge of 50 Cents on
Bills Paid in 10 Days

NET MONTHLY MINIMUM OF \$1

Estimated Increase Will Add \$4,
241.94 Annually to Revenue—
Property Valued at \$58,206

The Peoples Natural Gas company of this city was granted an increase in rates from forty to sixty cents a thousand cubic feet, fifty cents net to be charged if bills are paid in ten days, in a ruling by the public service commission of Indiana made public today.

The company in a petition filed June 2, asked for permission to charge seventy-five cents, but this was denied. The hearing on the petition was held here July 21.

The finding of the commission also established a monthly minimum charge of \$1.10 gross and \$1.00 net, with a provision that service may be discontinued if bills are not paid in twenty-five days, and a reconnection charge of \$1.00 made to re-establish the service.

"In fixing rates," the ruling says, "the commission will not give consideration to the comparative value of natural gas and other fuels but will adhere to a long established principle that rates should be authorized sufficient to pay reasonable operating expenses, depreciation and a fair return on the value of the property used and useful in serving the public."

A value of \$58,206 was placed on the property of the company by the commission.

"In view of the fact that the Peoples Natural Gas company," says the ruling, "had been able to accumulate the equivalent of practically 200 percent in stock dividends, had actually maintained no depreciation reserve, had paid cash dividends, and shows a surplus of \$46,109, the drilling of new wells to replace those exhausted was charged to operating expenses and the estimate for depreciation was reduced accordingly."

The company was ordered to set aside annually for depreciation and depletion one percent of the value of its depreciable property and rules were provided for the depreciation fund.

The commission estimates the petitioner's revenues and requirements as follows:

Estimated operating expenses	\$ 8,462.21
Estimated 5 new wells at \$1,700 each	8,500.00
Depreciation—one percent on \$58,000	580.00
Return—seven percent on \$58,206	4,074.00

Total requirements	\$21,616.21
Operating revenues	\$16,967.76
Estimating increase under rate of 50 cents per thousand cubic foot	4,241.94

Total \$21,219.70

"The evidence shows," says the commission, "that five directors are receiving \$400.00 per year each, or a total of \$2,000.00 per annum. This seems to be an excessive amount for the service rendered, but as some of the directors are also officers of the company and receive no compensation as such, this amount will be allowed to stand as an operating expense as shown in the audit. In view of the fact that \$2,000 director's fees is included in the estimated operating expenses the difference of about \$400.00 in estimated revenues and requirements is immaterial. This will be partially reimbursed also by the penalties of the gross rate."

"The evidence shows that it will be necessary to secure at least three additional producing wells per year, and the cost of such additional wells should be added to the operating expenses as maintenance. Because of the rapid depletion of the supply of gas and the low pressure at least four or five new wells per year must be drilled in order to secure the three producing wells required. The

LABOR DAY TO BE OBSERVED

Plans to Suspend Business For County Base Ball Day.

On account of the county baseball day here Monday as a celebration of Labor Day, arrangements are being made for a general suspension of business during the afternoon when the Tail Lights will play the Arlington Red Sox and the New Salem team.

Monday will be generally observed as a holiday as usual. The banks will be closed all day. The postoffice will close at ten o'clock and there will be only one city delivery. No delivery will be made on the rural routes. The Daily Republican will be issued at noon on that day. Advertisers are requested to have copy ready for Monday's ads tomorrow.

7,000 SMALL FISH PLACED IN FLATROCK

Flatrock Restocked Near Rushville Today by Deputy Game Warden Amos

LOCAL ASSOCIATION HELPS

Five thousand small mouth bass and two thousand blue gills were placed in Flatrock this morning by Deputy Game Warden Amos and the state department of conservation, division of fish and game, and Charles H. Brown of the Rush County Fish and Game Protective association.

The fish were distributed along the river from East Hill cemetery to the dam and above the dam as far as White's bridge. It was through the efforts of the local association of sportsmen that the river is being stocked by the state department.

The fish came from the Riverside hatchery maintained by the department of conservation at Indianapolis. Fishermen are warned not to catch the young fish for they will be prosecuted if they do not stay within the law.

Three quarters of a million young fish propagated and reared in ponds at the four state fish hatcheries have been put in state waters this season. The records show that up to August 1, 551,585 bass, blue gill, crappie and perch had been delivered to applicants and many thousands of young fish of the same varieties remained at that time for final distribution. The number produced this season is the largest on record since Indiana began fish culture operations in 1911.

The company was ordered to set aside annually for depreciation and depletion one percent of the value of its depreciable property and rules were provided for the depreciation fund.

The commission estimates the petitioner's revenues and requirements as follows:

Estimated operating expenses	\$ 8,462.21
Estimated 5 new wells at \$1,700 each	8,500.00
Depreciation—one percent on \$58,000	580.00
Return—seven percent on \$58,206	4,074.00

Total requirements	\$21,616.21
Operating revenues	\$16,967.76
Estimating increase under rate of 50 cents per thousand cubic foot	4,241.94

Total \$21,219.70

"The evidence shows," says the commission, "that five directors are receiving \$400.00 per year each, or a total of \$2,000.00 per annum. This seems to be an excessive amount for the service rendered, but as some of the directors are also officers of the company and receive no compensation as such, this amount will be allowed to stand as an operating expense as shown in the audit. In view of the fact that \$2,000 director's fees is included in the estimated operating expenses the difference of about \$400.00 in estimated revenues and requirements is immaterial. This will be partially reimbursed also by the penalties of the gross rate."

"The evidence shows that it will be necessary to secure at least three additional producing wells per year, and the cost of such additional wells should be added to the operating expenses as maintenance. Because of the rapid depletion of the supply of gas and the low pressure at least four or five new wells per year must be drilled in order to secure the three producing wells required. The

Continued on Page Six

The last call for registering was made today.

Tomorrow's the day and the hours are from 8 a. m. to 9 p. m. so that everyone will have an opportunity to visit the polls. The registering places are the same as the voting places were in 1918.

Very strenuous efforts are being made by the women workers of the republican party in this county to register every woman voter in the county. Precinct meetings have been held and women attending have been registered and have been provided with blanks for registering their neighbors. Such a one was held at the Circleville school house Thursday afternoon for the republican women of precinct No. 8, Rushville township. Mrs. A. L. Gary and Miss Mary Sleeth conducted the meeting and convinced many women that it was their duty to register and qualify for voting, even though they thought now that they would not vote.

There will be another opportunity for registering October 4, but voters are advised to do it tomorrow and have it over with.

Indiana State Library Indiana, Friday Evening, September 3, 1920

MINSTREL SHOW BIG TIME STUFF

Knights of Pythias Home Talent Production Offers Good Comedy and Song Numbers

TO BE REPEATED TONIGHT

Reduction of Price to 50 and 75 Cents is Expected to Bring Out a Large Crowd

The Knights of Pythias Minstrel show went big last night at the Graham Annex auditorium, and will be repeated tonight when a capacity house is expected, as the crowd last night did not do the show justice in any respect.

The prices of admission have been reduced, for tonight, and all seats will sell for fifty and seventy-five cents.

The first thirty-five minutes is an old fashioned minstrel show, with eight black face comedians, and a dozen others who take part in encores and the choruses. The two black face end men were Dr. Hale Pearsey and James Withers. The latter directed the show, and is quite a favorite with Rushville people.

George Priest filled the part of interlocutor just as if he had been with Al G. Field's Minstrel show, and when it came to a specialty stunt between acts, he filled that bill like an old timer.

The six black face comedians, other than the two end men, were Frank Muir, Glenn Ruddell, Ivan Edlin, Horace Pearsey, John Fleehart and William Pugh.

In the chorus were John Lewis, Halbert Brown, O. P. Wamsley, W. F. Easley, Bert Conde, Ernest Stada, Claude Bell, Frank Innis, Paul Spivey, John Norris, William Sparks, O. E. Trusler, George Coons, John Worthington, Frank Priest and Ollie Brown.

The entire company joined on the choruses and special features were introduced to break the sameness of each number, and dancing features by James Withers keep the audience busy applauding.

Last song hits were rendered by different members of the company, and between songs, the interlocutor and end men "pulled" some good jokes, mostly about local people.

The songs given were, "All the Quakers are Shoulder Shakers", by Frank Muir; "O. By Jingo," by Ivan Edlin; "Floating down to Cotton Town", Horace Pearsey; "On the Shores of Tripoli", John Norris; "I'm a real live Mamma", Hale Pearsey and "At the Darktown Dancing School", by James Withers.

The entire company joined on the choruses and special features were introduced to break the sameness of each number, and dancing features by James Withers keep the audience busy applauding.

The songs given were, "All the Quakers are Shoulder Shakers", by Frank Muir; "O. By Jingo," by Ivan Edlin; "Floating down to Cotton Town", Horace Pearsey; "On the Shores of Tripoli", John Norris; "I'm a real live Mamma", Hale Pearsey and "At the Darktown Dancing School", by James Withers.

The entire company joined on the choruses and special features were introduced to break the sameness of each number, and dancing features by James Withers keep the audience busy applauding.

Last song hits were rendered by different members of the company, and between songs, the interlocutor and end men "pulled" some good jokes, mostly about local people.

ANNOUNCES LIST SCHOOL SUPPLIES

Continued on Page Two

in English, Book II; Wentworth-Smith Arithmetic Advanced, Book; New Complete Geography; Copy Book No. 7; pencil, eraser, crayons, ruler.

7A—Same as 7B except Gordy's History of U. S. instead of Geography.

8B—Everyday Classics Eighth Reader; Centennial Speller; Lessons in English Book II; Phillips-Auderson's Complete Arithmetic (This Arithmetic is the same used last year); Gordy's History of the U. S.; Copy Book No. 8.

8A—Same as 8B except use Algebra instead of Arithmetic.

High School Texts

First Year: D'Ooge's First Year Latin; Wells and Hart's New High School Algebra; Lewis and Hosie's Practical English.

Second Year: Walker's Caesar; Newell and Harper's Plane and Solid Geometry; Webster's Early European History; Lewis and Hosie's Practical English; Bennett's Latin Grammar.

Third Year: Johnson and Kirby's Cicero; Robinson and Beard's Outlines of European History, Part II.; McPherson and Henderson's First Course in Chemistry; Long's American Literature.

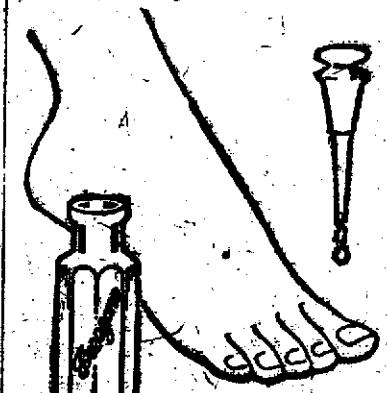

Fourth Year: Metcalfe's History of English Literature; Ete's History of the United States; Reed's Forms and Functions of the American Government; Smith's Arithmetic of Business; Millikan and Gale's A First Course in Physics (revised).

AGE LIMIT IS LOWERED.

The local lodge of Knights of Pythias has received notice of the passage of an amendment to the constitution of the order, lowering the age limit from twenty-one to eighteen years. The local lodge, however, will probably not engage in an active campaign for members under twenty-one years, but will consider applicants who make the proper application.

Lift-off Corns!

Doesn't hurt a bit and Freezone costs only a few cents.

With your fingers! You can lift off hard corn, soft corn, or corn between the toes, and the hard skin calluses from bottom of feet.

A tiny bottle of "Freezone" costs little at any drug store; apply a few drops upon the corn or callus. Instantly it stops hurting, then shortly you lift off that bothersome corn or callus right off, root and all, without one bit of pain or soreness. Truly! No bumping!

Prices for the K. of P. Minstrel have been reduced to 50¢ and 75¢. Everybody come tonight.

With The Church

Glenwood United Methodist church—Bible school at 9:30 a. m., and preaching services at 10:30 a. m.

Services at St. Mary's Catholic church Sunday will be as follows: Communion at six o'clock; Low Mass at 7:30 and High Mass at 9:30.

+The Rev. William H. Lamasters will preach Sunday at the Homer Baptist church, at both the morning and evening services.

+Hannegan Christian church—Bible school at 10 a. m. The Hannegan school will be entertained at an all day meeting Sunday, September 19 at Clarksburg. George P. Rutledge, editor of the Christian Standard at Cincinnati, Ohio, will be the speaker.

+First United Presbyterian church—Bible school at 9:30 a. m. Public worship at 10:45 a. m., sermon text, "Now Are We The Sons of God". Young People will meet at 6:30 p. m. Preaching at 7:30 p. m., subject, "A Man Sent of God". All members and friends of the church are invited to attend these services.

+St. Paul's M. E. Church—Sunday school at 9:30 a. m. A large attendance is requested. Morning worship will be held at 10:30 with sermon by the pastor which will be appropriate to Labor Day, on the subject, "Riots and Religion". The pastor will also preach in the evening at 7:30. The prayer meeting at 7:30 Thursday evening will also be in charge of the pastor. All are cordially invited to attend these services.

+Pleasant Ridge Methodist—Bible school at 9:30 a. m.; preaching by the pastor at 10:30 a. m. and 7:30 p. m. These services will close the Sunday meetings for this conference year. Adjourned quarterly conference Monday at 9:30 a. m. at Arlington. The pastor will assist the Epworth league Tuesday evening, giving a stereoptican lecture. At the annual conference at Vincennes September 15 to 20, S. S. Offutt, will be lay delegate and Harry A. Mull alternate.

+Sunday will be observed at the Main Street Christian church as "Go to College Sunday." All the young people of the church and community who are expecting to go to college are invited to attend the morning church service and occupy front seats together. After the Bible school period the pastor will speak on "The Field and the Forces" and at the evening hour on "Wingless Wealth". Thursday evening prayer and praise service at 7:30. Orchestra and chorus choir at the Sunday evening service.

CARPENTERS MEET

Terre Haute, Ind. Sept. 3—The annual convention of the state council of carpenters entered its thirty day of its strictly business session here today. The convention plans to adjourn late today. The next convention will be held in Indianapolis.

Prices for the K. of P. Minstrel have been reduced to 50¢ and 75¢. Everybody come tonight.

Grove's Iron Tonic Syrup

Pale Children Need Iron

Iron in Syrup form is more readily digested and assimilated than Iron Pills or Iron Tablets, and naturally you get quicker results. The Iron in GROVE'S IRON TONIC SYRUP is digested as soon as it is swallowed and, therefore, is promptly assimilated. You can soon feel its Strengthening, Invigorating Effect.

The Syrup is flavored and children love to take it. Contains no Nux-Vomica or other poisonous drugs, therefore, it can be given to The Babe, The Child, The Mother and The Grandmother with perfect safety.

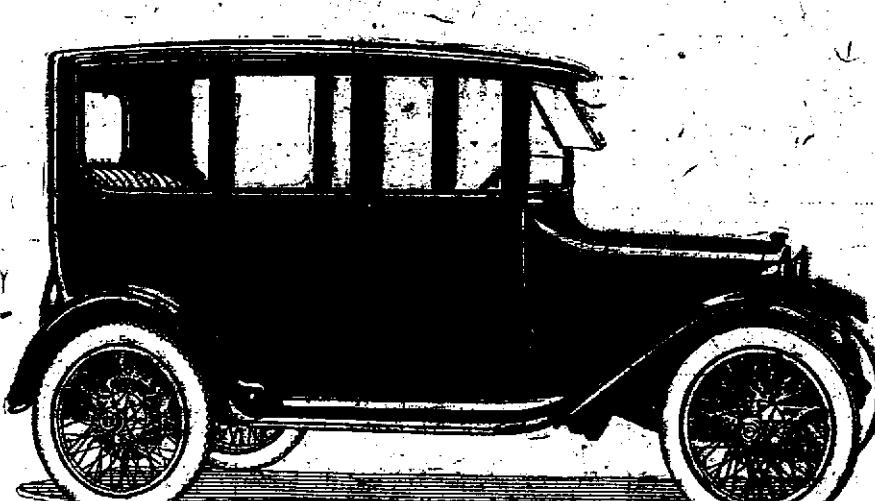

Grove's Iron Tonic Syrup

Price 60 Cents.

What Is the Condition of Your Blood Supply?

**Highly Important to Keep It Free
From Impurities.**

Did you know that ninety per cent of all human ailments depend upon the condition of your blood? You should recognize the importance, therefore, of very promptly cleansing out the system, and keeping the blood supply pure and robust.

For this purpose, no remedy can equal S.S.S., the fine old blood purifier that has been in constant use for more than fifty years.

Get a bottle of S.S.S. at your drugstore today, and note how promptly it gives new strength and vitality. Write for free literature and medical advice to Chief Medical Adviser, Swift Laboratory, Atlanta, Ga.

Getting the Second 5,000 Miles Out of Tires

It's easy to get the first 5,000 miles out of a tire—most any tire will give that. But the mileage beyond 5,000—that's where most of them fall down.

Long tire mileage comes from a superior tire properly cared for.

We have the right kind of tires—GOODYEARS—and when we sell you a Goodyear Tire we offer you a definite service which assures maximum mileage.

We're anxious to help you get the second 5,000.

MINSTREL BIG SHOW

TIME STUFF

Continued from Page One.
Just before the curtain dropped, Paul Spivey introduced each member of the company as they stepped out on the stage when he called their names, and the entire company sang the closing number.

The entire show was given without a hitch, and was pronounced by all as being worth ones time to attend, and people who failed to go last night, should take advantage of the reduction in price and attend tonight, which will be the final performance.

The K. of P. Minstrel marked the third important home talent show to be given here this summer.

Giving Him His Due.
"Oratory is a gift, not an acquirement," said the proud politican as he sat down after an hour's harangue. "I understand," said the master of fact chairman, "We're not blamin' you. You did the best you could."

It's better to take a few pleasant little tablets and ward off a cold than to pay big doctor bills and lie in bed for days or weeks with pneumonia.

During the fall and winter months when gripe and pneumonia keep the doctors busy, health authorities urge everyone to "Watch out for symptoms of colds and get after them right off."

Take no chances. At the first sign of sniffing and sneezing get a box of Lightning Laxative Quinine Tablets and stop the cold within 24 hours. Lightning Laxative Quinine Tablets are safe, pleasant; never gripe or sicken. Drugists guarantee them. Only 25¢ per box.

Lightning LAXATIVE QUININE TABLETS

Frames Should Fit The Face

Correctly fitting frames are almost as important as correctly ground lenses. Therefore we take particular pains to make sure that the frames fit the face perfectly.

The center of the glasses should come exactly opposite the pupils of the eyes. The glasses should not be too wide or too narrow. The bridge should fit the nose so well that wobbling will be impossible.

We are experts in the proper fitting of glasses and our skill is at your service. If the glasses you now wear do not fit perfectly bring them to us for adjustment.

Widow Preferred To Meet Death at Home

"For many years I suffered from stomach trouble. All the doctors I tried helped me but little. All said I would have to go to hospital and be operated on for gall stones or I would not live much longer. I told them I preferred to meet death at home. One day I picked up an advertisement of Mayr's Wonderful Remedy and since taking a course of it more than a year ago have not had a single pain in my stomach, have good appetite and can eat anything." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. All drugists—Adv.

Why Not?

It would be difficult to find a community where there is no fault finding, or back biting, or criticism, or covert sneers, for human nature is peculiar, and indulging in such questionable pastimes is one of its peculiarities.

But suppose human nature in this town should reverse itself for once—for an entire month.

Instead of saying or thinking unkind things of others, suppose each of us considered only the good in our friends and acquaintances and neighbors.

Suppose we were generous in our praises and lavish in our commendations, and each had something good to say about each other person.

What a revolution we would see! We would behold the unheard-of spectacle of every man and woman gradually outliving and forgetting

FRANCIS WEIRATH, foreman at Goodrich Rubber Co., Akron, Ohio, who declares he has improved so since taking Tanlac that no one would ever take him to be the same man. Says he gained fourteen pounds.

"To look at me today no one would ever take me to be the same person I was before I began to take Tanlac. It has simply done wonders for me, and I want everybody to know about this medicine," said Francis Weirath, foreman of a large department of the Goodrich Rubber Company plant at Akron, Ohio. Mr. Weirath resides at 210 West State Street, that city.

"I was in an awfully bad state of health for fourteen years, and during the past ten years I got to the point where life was a burden. I suffered terribly with indigestion and dyspepsia. I never had an appetite, and all I could eat for breakfast was a soft boiled egg and a little milk. I would get so nervous and miserable that many a night I never slept a wink, and when nothing would bring me any relief I had just about come to the conclusion my case was hopeless."

"I haven't taken but three bottles of Tanlac, but I feel better than I have felt for twelve years. I've gained fourteen pounds in weight, and am getting heavier and stronger every day. I never have indigestion any more, my appetite is splendid, and I eat just anything and everything I want. I sleep sound every night, and all that tired, worn-out feeling is gone. In fact, I am a well man in every way."

"The men at the plant all tell me I am looking fine these days and getting fat. They all want to know what I am doing to myself, and it's always a pleasure for me to tell them about Tanlac."

Tanlac is sold in Rushville by E. B. Johnson Co., in Milroy by Davis Copper, in Manilla by Geo. J. Inlow, in Arlington by Mrs. L. T. Davis, in Gwathby by Otto C. McCarty, and in New Salem by Mrs. Jos. Hawkins. R. R. 2—Adv.

SPORT, SAYS KING

Navy Star Player and Android to Be a Great Athlete When He Was in Show Travers

WIN TWICE FOR FOOTBALL

Playing Through Mud, Army Deep Win Bought Victory to Navy Over Army on Gravel

By HENRY E. FARRELL

(U. S. Staff Correspondent)
Antwerp, Aug. 19 (By Mail)—In a haze that hung over the Polo grounds like a great gray blanket late last November, a big straight, broad-shouldered boy, hardly discernible in the fog, plowed through mud ankle deep and booted two field goal that gave the Navy a 6 to 0 victory over the Army.

Braced against the footboard in the Navy shell, the same right foot shoved 180-lbs., of Iowa brawn against the oar that stroked the Navy crew through a victorious sweep of American water that has brought the eight here to contest for the world's championship.

That right foot belongs to Clyde W. King, the 22-year old son of a wealthy Grinnell, Iowa, rancher, who preferred to work his way through college rather than accept the easier route via a proud parent's check.

King, whose name is in keeping with his rank among the midshipmen, dreamt, hoped and aspired to be a great athlete when he was running around Lodora, Iowa, in short trousers. But he was a puny little lad and couldn't stand the gaff of even the kid games in the neighborhood.

When he was eight years old his father sent him to his ranch in Saskatchewan and he roughed it there for three years returning home a youngster with a man's physique.

He played football and basketball in high school and then entered Grinnell College.

In keeping with a resolve to work his way through school, he bought a shoe shining parlor in the little

Miss Margaret Dixon, daughter of Mr. and Mrs. James Dixon and Lloyd Kinder, both living near Falmouth, were quietly married last evening at eight o'clock at the home of the bride east of Falmouth. The ring wedding ceremony was performed by the Rev. G. F. Powers. Only members of the immediate family were present to witness the wedding. Mr. and Mrs. Kinder will reside on a farm near Falmouth.

* * *

PEOPLES COMPANY GRANTED INCREASE

Continued from Page One
evidence shows that in order to bring the supply up to the requirements of 1918 from eight to ten new wells must be added.

The present cost of drilling wells, including material, is approximately \$2,000 per well. As this amount includes material furnished by the utility and charged to operating expenses as supplies, the amount allowed for five wells will be \$8,500.

"The commission has not fixed a uniform or standard rate of depreciation for natural gas utilities because the element of uncertainty, due to the rapidly diminishing supply, enters into the production of natural gas. There is ample evidence to indicate that the source of supply will entirely disappear within a comparatively short time. This element might be more properly designated as depletion."

"The balance sheet shows a plant value of \$63,412.65, and the tentative estimate of the Commission's engineer is \$58,206.00. The capital stock of petitioner is \$19,800.00, and its surplus is \$46,109.99. This showing indicates that 68 per cent of the present book plant value was built up out of earnings. While the present audit does not show past history, it is common knowledge that most natural gas plants, especially those which have continued in operation up to the present time, have been splendid paying investments, and it is equitable to assume that fair cash dividends have been paid during past periods in this case, in addition to building up the present healthy surplus."

In other words, beginning with an original investment of \$19,800, petitioner has been able to pay its operating expenses, pay cash dividends and reinvest approximately \$46,000.00 out of earnings. Stating it in another way, it has been able to operate, keep its original investment intact, pay cash dividends and accumulate the equivalent of practically 200 per cent in stock dividends, all out of its earnings.

"Now assuming that the time has arrived when the supply of gas is diminished to such an extent that about five new wells must be drilled each year to secure three producing wells, the expense of such drilling must be charged to (1) plant investment, (2) depreciation reserve or (3) operating expense. True, this expense might be charged to suspended expense and amortized, but if this expense is to be incurred each year, this plan is not feasible. If these five new wells were to be in addition to those already in service, the cost should not be charged to plant investment. Since, however, they are to replace wells which are exhausted, they should be charged to operating expenses or depreciation reserve."

MOTHER!

"California Syrup of Figs" Child's Best Laxative

Accept "California" Syrup of Figs—look for the name California on the package, then you are sure your child is having the best and most harmless physic for the little stomach, liver and bowels. Children love its fruity taste. Full directions on each bottle. You must say "California".

Every Woman Ought To Know

Keep in the medicine cabinet at all times a bottle of Lightning Hot Drops, the old reliable remedy for cramps, stomach pains, neuralgia and rheumatic pain, lameness, swellings, inflammations, toothache, earache, etc.

Lunch will be served by the Ladies of the Homer Baptist Church.

I. B. MORGAN & SONS,
SELL AT AUCTION

60 Big Type Poland Chinas
That Are Sure Big

Tuesday, Sept. 14th, 1920

at the farm, 2½ miles northwest of Greensburg, Indiana

Included in this offering will be the get of the great boar Giant Senator that Harry Wittenbogaard said was "the largest boar for his age he ever saw," and we have never seen one of his age that was larger, more rugged or masculine. His get are outstanding and just the kind you need to add size and prolificness to your herd.

We will sell six massive fall boars, three of them grandsons of the Yankee, also grandson of the Missouri Champion, The Giant II, by the great Iowa boar G's Big Chief dam (an 800-pound sire) by The Baron. Other spring and fall boars of John Miller and Jones and like breeding, also two spring boars by The Conqueror.

Come, you will have a great number to look over and will be able to settle the herd-boar question right here.

WE ASSURE YOU A WARM WELCOME, BOTH FELLOW BREEDER AND GOOD FARMER.

Come and see this great offering including a great young sow by the \$40,000 boar The Yankee, and this sow has five fall gilts of right type and breeding.

A wonderful yearling daughter of Wonder Buster Again. Two daughters of King Giants.

Several litters by the massive Senator Giant from such sows as Model Giantess Fourth, full sister to the 11300 Model Giantess Third, also from dams by Denny's Giant, Herring's Big Smooth Price, Mabel's Jumbo and other great boars.

Five of the best granddaughters of Flora Price you ever saw.

COME TO THE HERD WHERE YOU CAN ALWAYS GET BARGAINS.

Morgan has more real herd material for a conservative price than any breeder in the state. His kind of Polands have made plenty of money for others and will for you.

This is one of the best and most practical offerings we have ever placed before the buying public.

"THE BEST BY TIME'S GREAT TEST"

I. B. MORGAN AND SONS
GREENSBURG, INDIANA

FIRST HOG SALE HELD HERE IN '89

John H. Bebout Conducted Exclusive Poland China Auction, First on Record, 31 Years Ago

"IT BEATS THE WORLD"

Ninety Rush County Hogs Averaged \$64.36 With Total Sales of Nearly \$6,000

The first exclusively Poland China hog sale, of which there is any record occurred in this city and is reported in the Rushville Republican, under the date of Oct. 3, 1889.

John H. Bebout, living near town, sold 20 Poland China pigs at a sale, in which horses, Jersey cattle, etc., went under the hammer, in Oct. 1886. At that sale his spring pigs averaged about \$22.50 each, a remarkable price at a time when small feeders sold for \$2 to \$4 each. Mr. Bebout's son Silverton, still remembers that mixed sale and the comraised by the high prices paid for the pigs.

In the summer of 1889, Mr. Bebout decided to have a straight Poland China hog sale and advertised it widely that fall. He sold 90 of his own pigs and neighbors added 17 to the collection.

The Republican of Oct. 3, 1889, heads the sale article as follows: "It Beats the World! Ninety Rush county hogs sold for \$5,792.40—average of \$64.36". Following this the editor discourses on the wonderful prices realized as quoted:

"A beautiful day greeted the gentlemen from a half dozen states and all parts of the country, who gathered at the fair grounds to attend J. H. Bebout's annual Poland China swine sale Tuesday".

"Business opened promptly and the bidding was spirited, no trouble being had in finding buyers for the splendid pigs offered for sale."

"Mr. Bebout sold 90 head of his own hogs for \$5,792.40—an average of \$64.36. This more than doubles last year's sale which exceeded anything on record up to that time. The success attending the sale reflects the greatest credit upon Mr. Bebout's enterprise and judgment and puts Rush county far ahead of the world in this branch of live stock breeding.

"Seventeen other pigs belonging to other owners were also sold, dweling the aggregate of this sale for 107 pigs to \$6,212.50, or an average of \$56.00 on the entire lot".

The highest price realized for a single animal was \$625 (for a boar one year old) and the lowest was \$16. Only three brought less than \$20, Six sold for more than \$200 each; and 29 others brought upwards of \$50—several of the number two or three times that amount".

After giving the names of the buyers of all animals bringing from \$20 up the editor continues:

/ The board Adam was put at the head of the Bebout herd about that time. The next herd was George Wilkes, bought at a price of \$125. In 1893 this boar was sold from the Bebout herd for the phenomenal price of \$750. The buyers were so unfortunate as to kill him and at once came back to the same herd to replace him. They selected Mr. Bebout's boar Guy Wilkes, at the then record price of \$900. This board had sold for \$381 in Bebout's 1890 sale, and a record price then, and was later repurchased for use in the herd".

SIGNS POINT TO LATE FROST, SAYS FARMER

Cockle Burr is Not Far Enough Advanced He Declares to Point to an Early Killing Frost

LATE CORN WILL MATURE

The first killing frost will not come soon enough to damage the late planted corn, according to farmers who profess the knowledge to read signs in the appearance of certain trees and vegetation. One farmer

said that the alarm about an early frost is needless for he has examined the cockle burr and learns from them that the first killing frost will be late. He said that if the cockle burr is far advanced at this time of the year there is a likelihood of an early killing frost, but he did not find them in an advanced condition.

An early frost would damage the cockle burr, he said, and this has never been known. He declared he had watched the sign for many years and had found it almost unerring in its accuracy.

Many farmers have large fields of late corn which would be destroyed by an early frost. The usual frost period for this section of the state is from October 15 to 17. Last year the first killing frost did not come before the last week in October.

No Hesitation By Well Known Indiana Lady

Comes right out and says that the new medicine Dreco has done her a lot of good. Says the gas does not press against her heart; nerves are quiet and she sleeps sound every night.

"I don't mind telling anybody that the new medicine Dreco has done me a lot of good and I'm glad that I heard about it and bought a bottle," said Mrs. Maggie Rosey of 709 South LaFontaine St., Kokomo, Ind.

"I've suffered an awful lot from constipation, nervousness, poor sleep, no appetite and gas in my stomach. This gas often got so bad that it pressed against my heart, causing shortness of breath and hard breathing. My kidneys often annoyed me and I'd have terrible backache so that I could hardly sweep up the house.

"I read what Dreco did for a lady here in town and got a bottle. It certainly was money well spent for my constipation is entirely relieved, no more gas forms in my stomach, nor presses against my heart. I have a good appetite, my nerves are quieted so that I sleep well, and the little catarrh that has bothered me is gone. Dreco has built me up and I'm feeling better than in years."

All druggists now sell Dreco and it is being especially introduced in Rushville by F. B. Johnson & Co.—Adv.

Gravel Bed Slats

3 x 3½

Side Boards and End Gates

HOOSIER CORN TURNER

THOUSANDS IN USE — 1,000 IN RUSH COUNTY

Can Be Attached To Any Drill
In a Few Minutes

Patented June 18, 1918

What a Hoosier Corn Turner Will Do For You

Saves its cost in two days.
Saves corn, time and labor.
Makes the drill run smoothly.
Places every ear of corn and stalk back in the corn row where it belongs.
Makes the gathering of corn easier.
Keeps the outside disc from riding the corn row.
Rolls the pumpkins out of the way without injury.
Makes it possible for one man to sow his entire crop of wheat.
It is strictly a one-man outfit.

Don't wait until you are ready to sow wheat to order your corn turner. On account of the scarcity of material we will not be able to fill orders at the last minute. It would be well for you to place your order at once.

Hoosier Corn Turner Company

Rushville, Indiana. Any Date.

MR. BUYER OR SELLER,

Rush County, Indiana.

Dear Sir:—When you buy or sell real estate now, you will need an abstract of title. Especially if you sell.

I have been in the abstract of title business in Rush County for 20 years. During this time I have made abstracts of title for many of your acquaintances. Talk to any of them and when you need an abstract of title I will be glad to have your order.

My office is No. 111 N. Main Street, Rushville.

Yours truly,

LOUIS C. DAMBERT.

TUES. SET ASIDE FOR FARMER'S DAY AT FAIR

Indiana Farmers' Federation Will Have Tent on Grounds and Have Arranged Program

GOOD SPEAKERS ARE SECURED

Indianapolis, Ind., Sept. 3.—Officers of the Indiana Federation of Farmers' Associations have just completed their program for State Fair week, arrangements having been completed for having headquarters in a large tent on the grounds this year, in the same location as that occupied last year. This is east of the Fine Arts building and near the north entrance of the Women's new building.

Farmers' Federation Day at the State Fair has been designated as Tuesday, September 7, and on that date two speakers are to address the farmers. John N. Dyer, of Vincennes, will speak in the morning at 10 a. m. and L. J. Beckett, of Indianapolis, will make the afternoon address at 2 p. m.

The program for Wednesday, September 8, calls for an address by O. E. Bradfute, president of the Ohio Farm Bureau Federation, who was one of the national leaders who assisted in the formation of the American Farm Bureau Federation. On Thursday, September 9, J. S. Crenshaw, of Cadiz, Ky., national treasurer, will be the headliner. Both Mr. Bradfute and Mr. Crenshaw will speak at 10 a. m.

Officers of the Federation cordially invite all farmers of the state to visit their headquarters on the grounds. Lewis Taylor, general secretary, and E. A. Reynolds, state treasurer, will be in charge of the tent headquarters at the Fair Grounds.

County News

Glenwood
Mrs. Elsie Lee of Hamilton, Ohio, is visiting friends in this community.

Mrs. Earl Runyan and family have returned from a visit with relatives at Sheridan.

The members of the Friday afternoon Embroidery Club, together with their families, held an all day picnic at the home of Mr. and Mrs. John Landale south of town Tuesday.

Clyde Williams, teacher of a class of boys in the M. E. Sunday school, took the boys to the Zoological Garden at Cincinnati last Thursday and enjoyed an outing.

Mrs. Bert Timberman underwent an operation at the Memorial hospital in Connersville Monday.

Miss Beatrice Dora of Blooming

Grove is visiting her grandmother, Mrs. Robert Dora.

Women Whom Wisdom Rules—

Are prone not to forget, these careful shopping days—

That while every effort is being made to bring prices to the lowest possible level, they should always bear firmly in mind that it is unwise to sacrifice goodness for cheapness.

And so, in presenting our Autumn showing of suits and coats, we take pride rather in their excellence, although their prices are such that we can recommend them as values indeed.

THE CAREFUL SHOPPER LOOKS WELL AND BUYS BY COMPARISON

Thus do we ask you to see the good things we are now showing.

Milton Smiley and daughter Ruby of near Mays called on friends in this locality the first of the week.

Trutona's Worth Weight In Gold Declares Woman

Terre Haute Resident Says Perfect
Tonic Has Strengthened
Her System.

Terre Haute, Ind., "I am sure that any sufferer from troubles like mine, will find that Trutona's worth its weight in gold, Mrs. Mary Kirby, a well known Terre Haute woman of 34 South 10 and 1/2 street told the Trutona representative recently.

"My system generally," she continued, "had been in a run-down condition for the past three months. My appetite was very poor. I didn't care for a thing to eat. I was very weak and nervous, too, and didn't rest well at night. I've had trouble with my kidneys for several years. They caused me to suffer pains in my back a great deal. Nothing in the way of medicine seemed to build me up in strength."

"Well sir, to be truthful about the matter, I can't remember when my meals have tasted as good as they do now. And I'm sure Trutona's the cause of my improvement. After I had taken only a few doses of the Perfect Tonic, the pains in my back ceased to occur, and I haven't noticed them since. I feel so much stronger now, and go about my work with more 'pep.'

"I go to bed now at my usual time, go to sleep, and never awaken until six o'clock in the morning. And I feel refreshed when I get up, too. I'm surely glad that I tried Trutona, for it has given me strength and built up my system."

Trutona is sold in Rushville at Hargrove & Mullin's Drug Store.—Adv.

Feed Every 3rd Hog FREE

Save feed and get your hogs ready for market in less time. Prove at our risk that you can save fully one third your feed, making it possible to feed every third hog free by feeding

Milkoline At 2c a Gallon

Milkoline has a base of pasteurized and sterilized, modified Buttermilk. It is guaranteed not to contain any sulphuric acid or anything of an injurious nature to hogs or poultry.

Aids Digestion:

Thousands of the most successful hog raisers from New York to California during the past twelve years have proved that Milkoline helps and assists digestion, tending to insure perfect assimilation of feed. It helps tone up the system so that hogs are less subject to disease and practically insures gains of 2 1/2 pounds per head per day.

University Tested

While Asst. Prof. of Dairy Husbandry at Missouri University conducted a scientific test on Milkoline and found that Milkoline fed hogs put on more weight and gained 25% faster profit than hogs not fed Milkoline. W. H. Combs, Professor of Middlebury, Mo., said \$30 worth of Milkoline made him an extra profit of \$420. Lee Jackson of Wappingers Falls, N. Y., says Milkoline fixed up a bunch of hogs in fine style and is great for brood sows.

30-Day Guaranteed Trial:

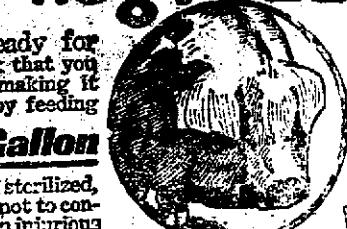

You are safe in ordering any quantity of Milkoline today. Feed one half the shipment to your hogs and poultry in a thirty day test, then if you aren't entirely satisfied return the unused portion to us at our expense and we'll immediately refund every cent you paid us. We urge you to consider this, you will find Milkoline the money maker on the farm that the S. W. Boulevard Punk of Kansas City substantiates this offer. You are the sole judge. Send money order, or check, to us or our nearest dealer and we will ship immediately. Our booklet, "How to Hustle Heavy Hogs to Market" will be sent free on request—your name on a card will do.
